

BOHO

S O K H N A

Serene.

Life as it should be,

Bold.

free.

CREATE YOUR OWN
DEFINITION OF
BOHO

Our Bohemian *story*

The concept of BOHO is to live life unconventionally, live life as it should be. To live it to the fullest. To relish in the charm of every moment. To live the life you desire, and create your own definition of BOHO.

Whether your own definition of BOHO is walking up early in the morning to have your yogic quiet time during sunrise on the beach, sit down in a hammock and read your favorite book on the beach while listening to your favorite soothing playlist. Or if BOHO means being adventurous, bold, taking a risk and doing insane activities that your old self will thank you for it later. Then, this is the place for you.

*If you're searching for simplicity
or extravagance, you are home!*

live by **The Seaside**

Featuring an exceptional whereabouts, BOHO directly overlooks the dazzling Red Sea.

Alluring Minimalist Architecture

When science and art come together, the result is mind-blowing.

Our buildings' designs are made to embody the Bohemian essence. The exteriors are built in a one-of-a-kind combination of simplicity and opulence. The compound is designed on three levels to ensure a mesmerizing beach view from most of the units.

Soothing Harmonious *Interiors*

Revel in luxurious yet simple Bohemian interiors. With impeccable fancy minimalist hippie interiors, we promise you would have the life you deserve.
